- 1) T-Rex Changed fleets from C to D fleet. Scores should be ignored
- 2) Due to wind conditions on Sunday the A fleet could only complete 2 races. Therefore on advice from Alan Barnes the results from the 3rd race on Sunday is a calculated average of the previous races.
Unfortunately Sailwave does not provide this feature to make this adjustment.

After manual calculation the scores are as published other than:

Violator = 6
Baad Goat = 7
Bad Dog = 8
Chaos = 9
