

SUMMERLAND YACHT CLUB

Dock Protocol and Safety 2009

1. Absolutely, **NO WAKE** within the marina basin.
2. **All** boats **MUST** be docked in a manner that their pulpit overhang does not encroach on or into the dock walkway in a manner which impedes member/s safe access to and from their boats.
3. **All** electrical cords (Marine Grade only), hoses and mooring lines etc must be properly coiled and not laying loose on the docks.
4. **All** Sailboats must have their sails and rigging properly tied-up and secured; ropes cannot hang loose during the night.
5. **Dinghies and PWC** must be kept on your boat, designated slip or area. Moorage contracts allow for only one boat per slip. Dockage fees are required for additional boats in slips.
6. **Transporting or carrying fuel** onto the docks for the purpose of refueling or providing fuel tanks for outboard engines is **strictly prohibited**. **All refueling** and transfer of fuel tanks must be completed at the gas dock.
7. **All** refueling at the Gas Dock must be done exclusively by the boat owner or designate under the supervision and assistance of the gas dock staff.
8. Young **children must** always be under the supervision and responsibility of an adult. Running on the docks is not permitted except in emergency situations and/or the Gas Dock staff is providing docking assistance.
9. **All** dogs must be on a leash and owners must pick up after their dogs with refuse put in the Garbage Cans at the end of each dock on the main walkway.
10. **Barbecuing** is permitted on board a vessel providing that the barbecue is securely attached to the boat (No hibachis or barbecues are permitted on docks).
11. **All** garbage must be disposed in the Garbage Cans located at the end of each dock on the main walkway. **All** bottles and cans must be disposed in the garbage cans located in the parking lot. At no time are you allowed to dump damaged chairs, boat/trailer/car parts or upholstery, ropes or lines, batteries or any oil or cleaning products of any kind in the garbage cans, dumpsters or yard. If you need to

dispense any of liquids from your boat, please feel free to ask our gas dock staff for assistance.

12. "FOR SALE" signs or other type of advertising is permitted on boats provided they are of an unobtrusive size and design. Boat owners are also asked to use the SYC bulletin boards and web site as an additional advertising media, contact our Office Manager.

13. The **SYC** reserves the right to reassign slips or relocate any boat or personal watercraft, should its location cause a safety hazard or impede the efficient workings of the Marina.

14. Each membership is entitled to keep one vehicle in the Club parking lot while visiting the SYC c/w the SYC parking sticker in plain view other vehicles must be parked in the outside of the yard or street parking. Unauthorized vehicles will be subject to removal by Summerland Towing at the owner's expense, after receiving one warning. Parking stickers are available through the Office Manager.

15. The **Launch ramp** is for the exclusive use of SYC Members and Associate Members only.

16. All Boats/Boat Trailers shall not be parked in the designated parking area. All Boats/Boat trailers **MUST** park in the parking area outside the club fence directly in front of the Clubhouse (subject to availability) or on the street unless prior approval has been obtained Unauthorized Boats/Boat Trailers will be subject to removal by Summerland Towing at the owner's expense, after receiving one warning for removal. Parking approval and parking stickers are available through the Office Manager.
